

Anyone serving food outside of their restaurant that will be hot or cold held or cooked outside of their restaurant will need to complete a Temporary Food Permit Application for the Mississippi State Department of Health. A \$100 fee shall be paid to Pass Christian Main Street as we will have to submit 1 check to the Health Department for all permits.

An inspection will be done prior to the event.

Here is a quick list of what you will need to pass:

- Your area must be covered. (ie: Tent)
- If you are not on concrete then the ground must be covered to avoid kicking up dirt. This covering should not be a tripping hazard. Cardboard or a tarp will work
- You will need 3 bus tubs to wash utensils/dishes
 - 1 – Soap Solution
 - 2- Clean Water
 - 3 - Sanitizer (you should also have test strips for your sanitizer)
- Hand Washing
 - Jugs of water with a spigot at the bottom
 - Bucket to catch waste water
 - A method to dispose of the water - * you are not allowed to dump it on the ground
 - Best practice – Take it back to your restaurant and pour it down your mop sink
- Hot holding / Cold holding
- A thermometer (a time/temp log is not required)
