

ARTIST ENTRY/CONTRACT 2024

By signing below:

1. I understand that if my Oysters in the Pass design is selected to be a winning design and I accept the opportunity, I will receive \$150 initially and a kit of approved paint, then \$350 upon completion and delivery of the Oyster, as long as the final project adheres to the original submitted design.
2. I understand that the Oysters will be placed in public areas, so appropriateness for a public viewing audience must be considered:
Artwork shall **not** contain logos or advertising; religious or political symbols or endorsements; or offensive material. Artists **must** stick to the approved design. Major **changes to the design must be approved** by the Oysters in the Pass Design Committee.
3. I understand that the judging will be completed by a “blind” panel who will not see artists’ names.
4. I understand if my Oyster design is selected, I will be responsible for completing the design as submitted. If the finished design does not adhere to the original submitted design, Pass Christian Main Street will not be held responsible for final payment. If I am unable to complete the design, I will be responsible for reimbursing the initial \$150 to Pass Christian Main Street.
5. I understand that colorfastness is an integral component to this outdoor, public art project, so I will only use the high quality materials provided for me by Pass Christian Main Street.
6. If selected, I am responsible for the pick up and delivery of the 4’ oyster (easily carried by 2 adults).
7. I understand that I am not to put a sealant on the Oyster or to install it at any location.
8. I understand the following timeline:
Design Deadline: March 15, 2024 by 5:00PM.
Email to oysters@passmainstreet.com or turn in physically to 201 E. Scenic Dr., P.C., MS.
Selected artists will be notified of winning submissions the first week of May 2024.
9. I understand that there will be a two month completion time frame for the Oysters in the Pass project. This will be in August of 2024. Specific dates are TBD. Pass Christian Main Street will notify artists in advance when the blank Oysters will be ready for pick up. Questions, call (228) 226-9955.
10. Should an Art Educator’s Class decide to submit designs the Educator will be responsible for making sure the design meets the requirements. All grade levels are encouraged to participate.
11. I certify that my contact information listed below is current and factual.

Material Considerations:

All paints will be provided by the Oysters in the Pass Committee. We will supply you with *Nova Color Artists Acrylic Paint*, quantities and colors based on your submitted design. You will not be allowed to use any other brands. No designs featuring collage or mixed media will be accepted.

Checklist: (Submit via email to oysters@passmainstreet.com or bring in person to 201 E. Scenic Dr., P.C., MS)

1. ___ Completed Artist Entry/Contract (this form)
2. ___ Completed Oyster Design - **Do not put your name on your design. All views must be included per entry.**
